**APPLICATION FOR BUILDING AND/OR LAND USE PERMIT
TO THE PLANNING BOARD OF VINALHAVEN, MAINE**

Information for applicants:

1. Submit this application to the Code Enforcement Officer with required sketch, other permits and fees, and any other information requested 10 days prior to the regularly scheduled Planning Board meeting at which you want action taken (Section 18.D.1). Applications that only require action by the CEO may be submitted at any time.
2. The application is not considered complete until all required copies of permits have been submitted, and the application fee has been paid. Any action is conditional on receipt, review and approval of these submissions.
3. If the property is not served by a public sewer, a valid plumbing permit or a completed application for a plumbing permit, including the site evaluation approved by the Plumbing Inspector, shall be submitted whenever the nature of the proposed structure would require the installation of a subsurface sewage disposal system (Section 18.D.6).
4. In the Shoreland Zone, proof of an adequate fresh water source shall be submitted whenever the plans for the proposed structure call for the installation of plumbing fixtures (Section 18.D.7).
5. Please contact the Code Enforcement Officer if you need assistance in obtaining the information needed to complete this application.
6. The application fee is \$.10 per square foot of all floors and decks excluding basements and attics, or linear foot in the case of roads and driveways. Minimum fee is \$20.00. (Section 18.C.1) Please contact the Code Enforcement Officer for an accurate calculation of fee. Checks should be made out to the **Town of Vinalhaven**.
7. All applications shall be signed by the owner or owners of the property or other person authorizing the work, certifying that the information in the application is complete and correct. If the person signing the application is not the owner or lessee of the property, then that person shall submit proof of authorization from the owner or lessee (Section 18.D.4)
8. The approved/disapproved application will be mailed or given to the applicant, or a copy may be obtained at the CEO's office.

After the application has been approved:

1. You must pick up an Official Notice of Permit at the CEO office located at the Town Clerk's office. This permit must be posted on site before starting work for which the permit is granted.
2. The permit is valid for one year; substantial work must be completed within one year after the date the permit was approved or the permit becomes invalid.
3. The permit is subject to appeal for a period of 35 days after issuance.
4. There shall be no construction above the foundation of any structure until such time as the CEO inspects and approves the foundation for conformance with the provisions of the ordinance and the building permit (Section 18.D.9). It is suggested that you contact the CEO after the foundation has been staked out but before the foundation is constructed.
