DIY Bird Walks

This summer, bird walks have been cancelled, but that doesn't mean you can't go out on your own!

Lane's Island and State Beach are great places to look for birds without walking far. Some of the birds seen in June last summer:

Alder flycatcher, American goldfinch, American redstart, American robin, black-throated green warbler, blue jay, cat bird, common crow, common grackle, common yellowthroat, flicker, herring gull, mallard, Nelson's sparrow, osprey, song sparrow and white-throated sparrow. Happy birding!

State and Local Elections

For Tuesday, July 14, 2020

For Vinalhaven, in-person voting will take place on July 14 at the Town Office, 19 Washington School Road. This location will be open from 8am until 8pm.

Voters may cast an absentee ballot instead of voting in person.

To minimize interaction with others during this public health pandemic (COVID-19), some voters may prefer voting by absentee ballot. Casting an absentee ballot is convenient and secure.

Absentee ballots may be requested in writing, by phone, online, or in person up to and including the day of the election, without specifying a reason.

However, if you are asking to receive your ballot by mail, please request it early enough to allow for postal mail delivery time—both to receive it and return it (2-5 days each way).

You can request an absentee ballot by calling your Municipal Clerk's office at **207-863-4343**

You can request an absentee ballot online or by mail from the Secretary of State's website:

www1.maine.gov/cgi-bin/online/AbsenteeBallot/online-form.pl

Absentee ballot requests are being accepted right now. Printed ballots will be available by mid-June, and we will issue your ballot as soon as possible after that date.

Ballots must be returned to the municipal clerk no later than 8pm on Election Day.

For additional information go to: **www.maine.gov/sos/cec/elec/voter-info/absenteeguide.html**

VINALHAVEN COMMUNITY GUIDELINES*

“Reopening is not the same as returning to normal.”

Everyday we make choices about what we can and cannot do, should and shouldn't do. **Bottom line: WE ARE STILL IN A PANDEMIC.** We must all do our part to put our safety, our family's safety, and the safety of our community first. Do not take unnecessary risks, and be respectful of others by following actions that are legally required and those that are recommended.

Thank you for doing your part by abiding by the following guidelines.

Safety Protocols

Stay home if you are exhibiting symptoms of COVID-19 or if you are in quarantine. Limit any unnecessary travel.

Maintain physical distance by keeping at least 6 feet away from others unless you are living in the same household.

Do not gather in groups of more than the permitted number according to current guidelines.

Wear a face covering when in public, including places of business, downtown, on the ferry, and all areas where keeping at least 6 feet away from others is not possible.

Comply with CDC guidelines. Do not touch surfaces unnecessarily. Wash/sanitize hands often.

Comply with all guidelines for individual businesses.

Stay safe. Keep others safe. Be kind.

Testing

At this time, ICMS is only able to provide testing for those that meet the CDC and lab guidelines. Under the Keep ME Healthy Plan, Maine is **strongly urging visitors** to “Know Before You Go” and to **be tested and receive results in their home state** before traveling to Maine, which will allow them to take appropriate action depending on the result. Websites like **Get Tested COVID-19** show local testing options nationwide.

Quarantine

Beginning June 26, there will be two options for visitors from other states: **1) getting a recent negative COVID-19 test;** or **2) quarantining for 14-days** upon arrival.

Visitors from NH and VT are exempt from these requirements effective immediately.

People staying in rental lodging who are not ME, NH, or VT residents **must sign a Certificate of Compliance** indicating

either that they have received a **negative COVID-19 test** result, that they will **quarantine for 14 days**, or that they have **already completed their quarantine in Maine. Certificates of Compliance** are available upon registering with your rental lodging.

If a ME resident visits NH or VT, they are not required to quarantine upon returning to ME, effective immediately. However, if they visit elsewhere, they must quarantine for 14 days or use a negative test as an alternative.

Seasonal homeowners, workers traveling to the island, and other visitors may also use a recent negative COVID-19 test as an alternative to the required 14-day quarantine in Maine effective immediately.

The Town asks that **anyone travelling to the island from out-of-state** who will not be staying in rental lodging **complete a Certificate of Compliance** available on the Town's website. Prior to or upon arrival, return the completed certificate to the Emergency Operations Center via email, fax, or by using the online form.

If you are coming to the island from ANY AREA with community spread, it is RECOMMENDED you quarantine for 14 days.

The Public Health Team recognizes the **14-day quarantine is a proven public health strategy to mitigate the spread of the virus.** Therefore, for the safety of the community, they **strongly encourage** those traveling from “hot spots” and areas of community transmission located out-of-state and within Maine to **quarantine for 14 days** upon arrival.

When in Quarantine...

Stay in your house or on your property during the length of your quarantine. Do not go out to shop, to hike public trails, to meet someone at the ferry, etc. Contact businesses on-island

to **arrange to have items delivered** (groceries, medications, toiletries, etc.).

Monitor for symptoms.

If you have a fever, cough, or other symptoms, you might have COVID-19. Most people have a mild illness and are able to recover at home, but you should **call your medical provider** immediately and keep track of your symptoms, especially if you think you may have been exposed to COVID-19. Your medical provider will advise you on what to do next.

If you experience **emergency symptoms**—trouble breathing, persistent pain or pressure in the chest, confusion or inability to arouse, bluish lips or face—**call 911** and let dispatch know you may have COVID-19. Emergency personnel will assist you.

Contact local businesses to get supplies while in quarantine or if you need to stay isolated.

Support the local economy! Shop on-island. Contact businesses directly to **arrange for delivery of goods.** The Town's website has a list of businesses offering essential services, as well as links to the Vinalhaven Chamber of Commerce website and the Vinalhaven phone book, which both list business contacts.

For on-island goods, ICMS offers **free delivery** to anyone in need of supplies. Contact **Vinalhaven Taxi (207-720-0056)** or the business you are shopping with to request delivery.

For mainland deliveries, **Bunkers (207-863-4828)** and Penobscot Island Air (**PIA (207-596-7500)**) offer various pick up and delivery options. In addition, Phil Crossman and his brother Dick provide mainland deliveries to the island (**207-863-4917**).

Carver's Harbor Market has been extremely helpful during all of this stay at home period. As you know Vinalhaven Eldercare Services is not going to be able to do our large fund-raising events this summer. **Carvers Harbor Market has graciously agreed to let Vinalhaven Eldercare Services have the round up this summer.**

I am asking that those of you who do curb side pickup when you place your order to ask them to round up for VES or add a small amount to your order to help support us and if you go to the store shopping that you please ask the cashier to round up for us.

This is going to be a very different summer for us, and we really need your support. ***Thank you for your help keeping our Homestead and all of our programs going.***

Vinalhaven Eldercare Services NEEDS YOUR HELP

During this critical time, VES is grateful to have a dedicated staff of caregivers who are going above and beyond and making personal sacrifices to ensure that the residents of the Calderwood Homestead remain healthy and safe during these scary times. We need each one of them to ensure adequate staffing at the Homestead.

However, there is currently one staff member who needs temporary housing on the island to continue working at the Homestead.

If you or anyone you know might have housing available for a few months over the summer, please let Linda Lynch know at

Thanks for your help.

Reading Online Wind on a Kindle

Norbert Leser shared his steps for converting the online Wind into a more easily readable version on a Kindle.

1. Download the wind to your computer/device
2. Create an email message addressed to your Kindle account
3. Subject of the email is the word "Convert"
4. Attach the wind PDF to the email body (no other text)
5. Send email
6. After a short while open your Kindle app and synchronize - the Wind should appear in your library!

To find the Kindle email account mentioned above, you need to open the Kindle app and go to 'App Settings' in your menu at Kindle's home page. It lists 'Send to Kindle Email Address' - copy/paste that address and you're all set.

Submit to the Wind!

We are looking for stories, **anecdotes, recipes, images,** Shout Outs, etc. to include in the WIND. If you have something to share we would love to include it in future WINDs. Please send to: vinalhavenwind@gmail.com

SCHOOL LIBRARY BOOK SWAP

During this time of remote learning one of the things **missing** from many of our students' lives is **access to books** -- actual hands-on, physical books. In non-Covid times, the school library has annually held the very popular book swap where students bring books in and swap them with books donated by other students. All students get at least one book, regardless if they are unable to bring any in.

I am working on making the book swap happen, with a safe twist especially for these pandemic times!

Students, parents, and other community members, if you have books you no longer want or need at your home please consider donating them to our book swap. Of greatest need are children's books, but others are welcome as well.

For any of you who have books to donate, I will be leaving a box or milk crate on the bench outside the school entrance, marked Book Swap Donations each school day morning until noon for the remainder of May. For your safety, please place your books in the box without touching any other books that may already be inside. All items collected will then be quarantined until the swap.

I'm planning for the book swap to take place before the middle of June.

Thanks in advance for your help!

Ocean View

I woke up again this morning to “my bird” singing and another answering. For years I listened to this beautiful song, but no matter how hard I tried i could not see him. I took my binoculars and walked in the woods and even though he was so close I never could see him. Finally Sue gave me a bird tape to listen to and I found “my bird”. It’s a winter wren and to me it has the most beautiful song of all the birds I’ve heard. He a little brown bird in the top of the trees, but his song makes him a giant in my eyes.

I went on the back deck to eat breakfast yesterday and suddenly realized I had company waiting for their breakfast. For the first time a new mother and her seven babies were waiting and also the mother and the one baby who is half as big as she is. I got the corn and they all ate. They were back at supper time along with others. They fight and chase each other around. Gets pretty feisty at times.

One female found a small puddle from the hose and took a bath. Then the mother and baby found it and did the same. The baby fills up and then needs a drink of water so the puddle was great for him. Seeing them drink the water in the pond is quite disgusting!

We’ve had a kingfisher this week and my feeder has had lots of gold finches and a few purple finches. We haven’t seen the otter again. I did see the turtle once and he was bigger than I thought he would be, shining in the sun.

I just went outside and I found a dead humming bird on the rug. She must have hit the window. Tragedy. If she has babies they won’t make it. I love feeding the birds but it can be heart breaking.

THE Nightingale

Dear Vinalhaven Community,
It is with great sadness that we have decided to temporarily close The Nightingale until we are able to return to our table/bar service business model.

We've spent the past few weeks running the numbers and brainstorming all of the ways we could possibly make things work (including outdoor seating, adding socially-distanced indoor dining, meal kits, tables set on rafts in Carver's Pond, building a tent, etc.).

Unfortunately, the hard truth is that our business model relies on just 10 weeks of full-on, packed-house business for lunch and dinner, six days per week to cover our bills (in normal, pre-Covid times).

Given the current restrictions under which we are forced to operate, we cannot keep sinking ourselves deeper into debt as we wait for things to open back up. By closing for now, we will save The Nightingale in the long term.

We are so thankful to those who have supported the business this month, and heartbroken that we will not be able to cook for our fans for a while. Someday soon, we hope to open our doors and welcome our guests back inside with open arms.

With gratitude, Lauren and Brian
