COVID-19 Update 11-07-20

MORE CONFIRMED CASES ON NORTH HAVEN AND REMINDERS FROM THE PUBLIC HEALTH TEAM

Today the Public Health Team was informed by North Haven Town Administrator, Rick Lattimer, that there are now 11 known, confirmed COVID-19 cases on North Haven. There are currently no known confirmed cases on Vinalhaven.

The North Haven Health Center is conducting testing and island leaders are receiving support from Maine CDC, Knox County EMA, and PenBay Medical Center in their efforts to control the spread of the virus.

The EOC will keep our community apprised of the situation, but factual updates may also be found on the Town of North Haven's website

www.northhavenmaine.org

The Public Health Team wants to stress that the outbreak on North Haven is a clear example of how rapidly the virus can spread through community transmission. For the sake of our community's most vulnerable individuals, be extra cautious. Stay home as much as possible and avoid gathering with anyone outside of your household or pod. The only way to prevent further community spread is for **everyone** to abide by the **three W's**:

- 1. Wear your mask!**
- 2. Wash your hands!**
- 3. Watch your distance!**

Thank you for doing your part to keep this community safe.
