**D** is for Dog Town. No one certain how "Dog Town" got its name, but there is an area near by City Point called Dog or Dogy Point, so perhaps there is a connection to that place. Dog Town encompasses the area that begins on the corner of Old Harbor Road and the Sands Road and extends to the Granite Island Bridge.

They came to me again today  
 The girls I should have known  
 They grew up not so far away  
 From the place that I called home  
 They called me to come out to join  
 The games they liked to play  
 I ran outside and played all day  
 With the girls I should have known  
 I dream this life that might have been  
 As I awaken from my sleep  
 Hoping when I return again  
 This family I'll get to keep

May 15-21

Recognizing the essential role that these individuals play in our lives-day in, day out.

## THE OBSERVER

Living out here is fulfilling, fulfillment being found in the sustained interaction we enjoy or perhaps endure. We respond to one another continually &, if not always consciously, we unavoidably consider ourselves in the context of others with whom we share the island. There exists a communal circuitry, like it or not, & some of us don't, & even those who do like it, don't now and then. We all know more about one another than an observer might think comfortable but because we all know these things, reciprocity is an effective tempering agent. We're generally careful with one another's secrets although a prudent exception can now and then be made.

An island couple came to a local restaurant I worked at years ago. The cook was Joey. Fred ordered a big tenderloin, 3 deep fried mac n cheese balls, creamed carrots & a draft beer. Becky asked for poached flounder, sautéed vegetables, a salad & a glass of rose'. Haley brought the drinks and returned shortly with 2 fish & veggies but no beef. Fred opened his mouth to object but Haley held her hand out to quiet him. "Joey says, in the shape you're in & given your recent spell, you need to be careful about what you eat and I agree." "That makes three of us" said Becky. He wasn't happy about it but he's still alive. pc

## Baseball And Softball Seasons Starting Means Vikings Are Back at It

By Lincoln Dennison

Vinalhaven Vikings softball and baseball teams started the season on April 26<sup>th</sup>. The Vikings played the Forest Hills Tigers at Kents Hill. Both teams played two games and lost both games.

The boys team lost their first game 10-5. The bats were quiet with most of the runs coming from errors and walks.

The defense had trouble with multiple players committing multiple errors. Missing players contributed to the team's holes in offense and defense.

The Vikings lost their second game 6-2, though playing a better game than the first. The defense provided more accurate throws including two double plays. The Vikings' lack of field awareness showed, not knowing the right movements and throws. The pitching was lackluster, with slow and easy pitches allowing the Tigers to rack up hits. However, there is plenty of season for improvement.

The girls' first game ended with a score of 15-9, going to the Tigers. Vinalhaven's pitching allowed seven walks. The defense committed six errors, allowing runs to score.

For most of the game bats were quiet until about the 4<sup>th</sup> inning, but at that point it was too late. With five-inning games, the Vikings ran out of time for a late rally.

The second game ended with a score of 25-12. Pitching again allowed multiple walks with eleven. Batting was sparse, only scoring runs in two innings. The Vikings were out players with injuries and personal reasons. Both Viking teams are 0-2.

Earlier in the season, when making preparations for softball, Brook Lebel, head coach of the

"We never really grow up; we only learn how to act in public."  
 Bryan White

girls' team, looked forward to the new season. "We have eleven girls this year, which is two less than last year. Four players are new to the team, but I am very excited to be coaching this year," she said.

The boys' team, only losing two players last season, is trying to fill in those gaps with fresh new players joining the team. The rookies have made game appearance and proceed to work on their skills.

"I think we'll have a decent team, maybe not as good as last year, but that goes for every team," said Sam Wentworth, junior first baseman for Vinalhaven. "I'm excited to play baseball, but not excited to play upper class teams that have twice as many kids."

May 14<sup>th</sup> - World Migratory  
Bird Day

The focus for 2022, light pollution. Artificial light is increasing globally at least 2% per year. It has become a significant threat to migratory birds, causing disorientation, when flying at night, leading to collisions with buildings, perturbing internal clocks and interfering with their ability to undertake long migrations. At least 400 different species of birds migrate, which adds up to 40% of the entire avian population, all in the pursuit of food, flying to warmer climate in the winter and back home to breed.

John Morton celebrated his 10th birthday Thursday by entertaining a group of friends at his home. His guests: Frederick Conway, Robert Teele, Frank Smith, Jack Wentworth, "Junior" Green-leaf, Robert Kelwick and Kenneth Hopkins. Cake and ice cream were served and the young host received a variety of fine presents. The children made merry with games in which Jack Wentworth won first prize for pinning on the goat's whiskers and Robert Teele for finding the most pennies. Those winning awards for keeping still three minutes were "Junior" Greenleaf, Kenneth Hopkins, Fred Conway and Robert Kelwick.

It is interesting to note the comparison between the prices of commodities 50 years ago and the present time. Thus in an old journal of James Pierce of Vinalhaven, who kept store at the Reach 50 years ago, we find the following: 8 lbs. butter \$1; 2 lbs. nails \$.16; 2 qts. Rum \$.20; 4 lbs. tobacco \$.80; 2 gals. Molasses \$.44; 1 qt. Gin \$.25; 4 lbs. raisins \$.24; 10 lbs. sugar \$1; 1 bunch cigars \$.06; 1 qt. linseed oil \$.30; 1 barrel flour \$6.50.

Mrs. Davis is getting ready to open her summer vacation camp for children. This delightful summer camp is well equipped with everything to make the child happy - playgrounds, buildings for stormy weather and domestic animals. They raise their own vegetables, eggs and chickens and have an abundant supply of milk. They have accommodations for ten children between the ages of four and ten and they are under the care of Mrs. Davis, who is an efficient public school teacher.

In the heart of Vinalhaven's business district is one of the neater and more modern places of business in town.. It is Tom Sarantos' or known better locally as the Candy Kitchen. The store is well equipped, capable of caring for and serving its many patrons. There are tables where the one desirous of their particular ices can be served. Beverages, so appetizing, can be obtained here, dispensed from a clean and sanitary soda fountain. A fine line of confections in all variety can be gotten here and their chocolates in bulk are of the better quality. Tom Sarantos has been in business here for eight years. A fresh stock of cigars, cigarettes and tobaccos is kept for sale at all times. In addition fruit, fresh in its season, is on sale.  
May 30, 1925

Recognizing the hard work and contributions of the emergency workers and providers. Honoring the dedication of those who provide the day to day life saving services of the medical "front line."

**American Legion Auxiliary**

As we Americans and the world remember our Veterans past and present, let's take a moment to remember why the Red Poppies and why the poppy has become the MEMORIAL FLOWER of the American Legion Auxiliary.

In the spring of 1919, amidst complete devastation, the poppies bloomed in abundance on the battlefields of France, where so many of our men had fallen in battle.

At the time when the poppy was adopted by the ALA, they pledged 100% of profits to the welfare of servicemen and servicewomen. 25,000,000 poppies are made each year by disabled veterans. Over \$300,000, is paid annually to needy and disabled veterans for making the poppies. More than \$2,000,000, which has been devoted to the Veterans Affairs and Rehabilitation, which includes needy veterans and their families.

By wearing and buying the poppies, the public is giving thanks for those who have sacrificed so much to our country and our freedom.

## ABOUT CHRIS HERREN

Chris Herren, a basketball legend from Fall River, Massachusetts, was an All-American, broke scoring records and was recruited by the nation's top colleges. Herren realized his lifelong dream of playing in the NBA when he was drafted by the Denver Nuggets in 1999 and then traded to his hometown team, the Boston Celtics, before losing his career and almost his family to the disease of addiction.

A person in long term recovery, Chris inspires people to start the conversation on wellness and educate themselves on the disease of addiction. It is his hope that strength will be found in the struggle and communities will come TOGETHER to address the issue of substance use disorder, advocate for effective treatment and embrace the power of recovery.

**Rise Up!** is a multi-media performance exploring the impacts of sea level rise on the coastlines and communities of Vinalhaven, North Haven, and Rockland, Maine. A combination of live music and film - much of it from Vinalhaven - **Rise Up!** encourages all ages to think about opportunities for resilience and change within our communities. The one-hour long performance will be followed by a 20-minute discussion with the musicians and artists, and special guests Gabe McPhail, Riley Stevenson, and members of the Vinalhaven Sea Level Rise Committee.

Sponsored on Vinalhaven by **PIE**. Donations at the door. Suitable for all ages.
