## EVERY CHILD READY TO READ (ECRR)

Parents & caregivers: Have you ever wished that you knew of fun learning activities to do with your child? Do you wish you knew songs, games, and stories that will help your child be ready for school? Your town library can help!

ECRR is a program that is for parents/caregivers that will give you ideas, activities, and games that you can do at home with your child that will help them get ready to be successful when they start school.

Sue Dempster will be hosting a hands-on session on Thursday, June 2, from 10-11, at the town library to share activities, songs, games, and stories that you can do with your child at home. For more information, please contact the library or Sue Dempster

([sdempster317@gmail.com](mailto:sdempster317@gmail.com))

This program is sponsored by the Friends of the Library.

### BABY SITTER WANTED:

5 days - June 27-July 1,

4 hours/day, mornings preferred

9-1 but flexible.

Indoor/outdoor at Rockaway, Lanes

Island. \$25/hr.

Call Paige - 236-4059

Memorial day is coming please make sure the downtown parking lot has the space necessary to accommodate services. All traps, trailers, rope, etc. must be removed, the previous day. Equipment must not be left overnight until labor day, then the 48 hours limit goes into effect.

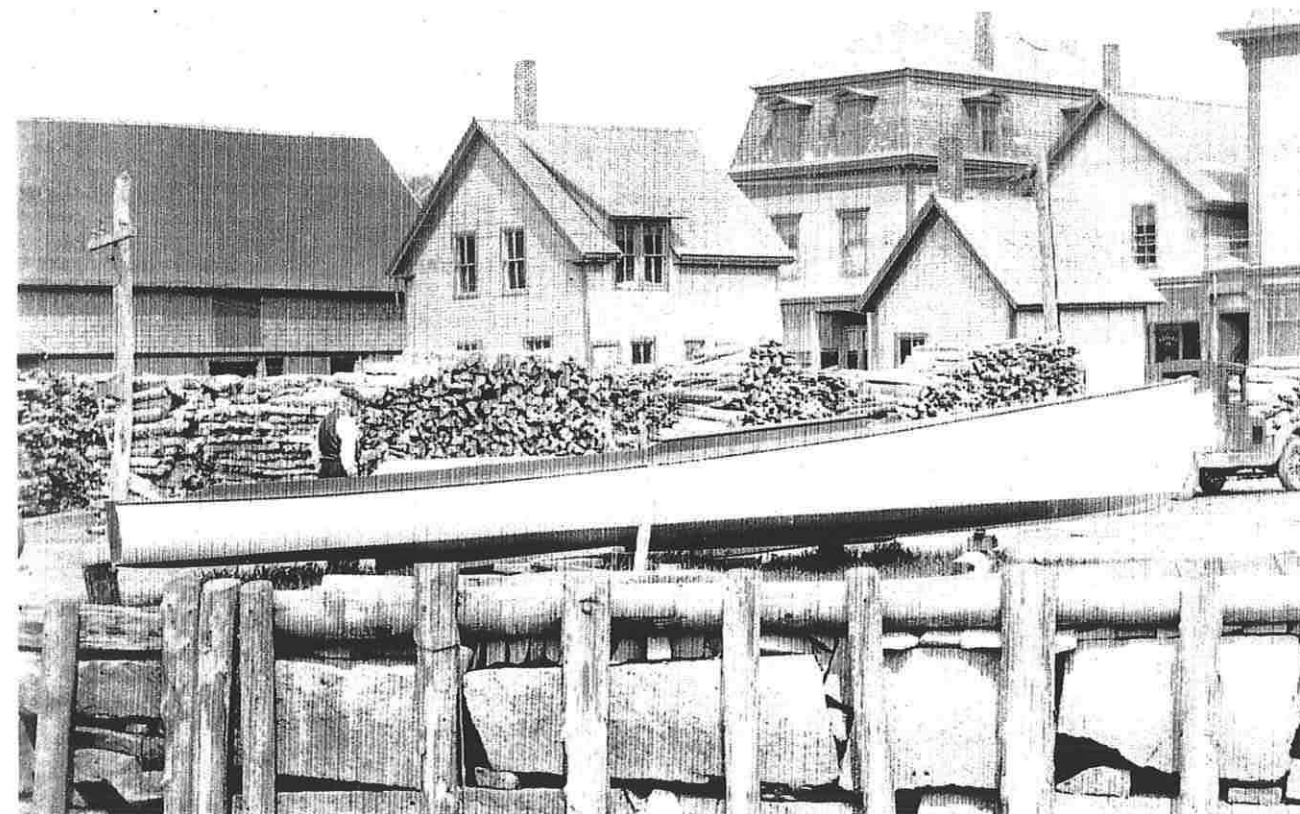

Roadside parking at the Harbor Wharf is for permit autos only. Boat trailers, trap trailers need to be removed within 48 hours. There are 3 boat trailers roadside and I have tried to notify the owners to remove them. Without a plate it is difficult to locate these owners. An abandoned trap trailer has been at carvers parking lot, this must be removed.

The standard procedure is to have these trailers removed by the public works department and taken to the town dump and be treated as abandoned. The good news is instead of transporting these trailers to the dump, they will be removed and placed at the back of the swap shop. They will be in an impound type area, secured and there may be a cost to the owners for towing and storage. Harbor Wharf and Carvers Harbor parking lot has limited parking and the space is needed for the local businesses, local parking and loading and unloading of equipment for the fishermen, in a timely manner.

The Select Board, Town Manager, Public Works Dept. as well as myself are asking all of us to be mindful and to not leave your equipment in these two areas past the allotted time periods and keep trailers off the roadside parking area at the Harbor Wharf. Carvers Harbor Parking Lot is a pick up and drop off area ONLY, until Labor day then after Labor day the 48 hour limit goes back into effect. During all seasons Harbor Wharf is a 48 hour limit.

The Town of Vinalhaven does not want, or have the time to remove your equipment from the two areas. You are responsible for your equipment, please take care of your equipment in a timely manner to avoid any towing, and or storage fees that may occur. Help us, help you.

Thanks,  
Harbor Master

AT THE EDGE OF CARVER'S HARBOR - THE WOOD YARD ACROSS FROM THE BARTON'S STORE AND FIFIELD'S HARDWARE STORE. THE SITE IS CURRENTLY THE TOWN PARKING LOT.

Vinal Energy is thinking spring!

As summer approaches and seasonal homes begin to open, we want to give a friendly reminder to our propane customers to please **call us to check and replace propane tanks in advance of your arrival.**

This allows a smooth transition for all and decreases the chance you'll arrive on the island and find you are out of propane.

We look forward to hearing from you, happy spring!

**With building costs soaring, it's time to review your home insurance.**

Houses come in many shapes and sizes—and so does homeowners insurance. With homebuilding costs on the rise, it is vital for you to make sure that your house has replacement cost coverage so that you can rebuild as it was before it was destroyed or purchase brand new items if your old ones are damaged or stolen.

**F** is for Fish Flakes. The name of the platform upon which filleted, salted cod are laid to dry out in the sun. At one time fish flakes could be seen in many Vinalhaven locales: Lane & Libby Fisheries, Grimes, and C.L. Bickford's, to name a few. The sale of salt cod was a prosperous local business for many years.

**MEMORIAL DAY 2022**

Three of their children: E-5s and E-4s,  
Five uncles and aunts: wartime officers corps,  
Great uncle, Grandfather: Navy commanders,  
Two cousins: jet pilots, their bravery grander  
But hard to recall in these times full of plenty  
Why all were so willing to serve at age twenty.  
Our Country and Honor were clarion call,  
Their doubts and their fears didn't matter at all.

This is what it's like to be in the Service,  
Away from your home and with a new purpose  
To protect and defend this country of ours  
From bad guys and weirdos while flexing our powers.  
Some gave up their lives while protecting god's freedom,  
The families, the friends of their life. We all need 'em.  
So pause and say thank you for their Service this way.  
Place your hand on your heart this Memorial Day.

*Veterans from Away*

# Life, Liberty & the pursuit of Happiness

Today in 2022 everything needs to be questioned and tested. Trust should never come easy. Integrity and intention are unbelievably compromised. Use your wisdom to make smart decisions before the opportunity is so far gone, that you would have to back track in order to grasp hold of that opportunity. Which is impossible because what is done is done. Life and your decisions become permanent. Second chances seldomly arise in this world. While giving forgiveness is essential to a healthy soul, this world is full of habitual offenders. A habitual offender is someone who commits the same offense repeatedly. Which makes forgiveness hard to give. Respect is not free, neither is forgiveness, it is something that you work for. As we grow as people or, individually thinking, as "persons", rule your life with wisdom, justice, courage, compassion, hope, respect, responsibility and most importantly integrity.

*Sincerely,*

*Harley Lynn Harwood*

### Observer

It's happened again and we have the same people to thank for it—The K-12 Students Spring Concert and Art Show. With each passing year it becomes clearer and clearer that these kids are in good hands. The Art Show was a reflection not of how much these kids can do if they're made to, but of how much they can do it if they simply want to and it's clear from the walls of creativity that they want and wanted to because their Art Teacher, Heather White has inspired them. And the same is certainly true, as always, of the mastery of music, accomplishments consecutively displayed by young musicians, K-12 and, this year, in collaboration with one another, inspired again by Music Teacher Bill Trevaskis. Thanks to them both and to the supportive faculty and staff that helped make it happen.

**NORTH HAVEN** – Edwin (Bud) A. Thayer, 93, died Friday, May 13, 2022, at the Sussman House in Rockport.

Born at North Haven, October 5, 1928, he was the son of Raymond L. and Florence E. Bray Thayer.

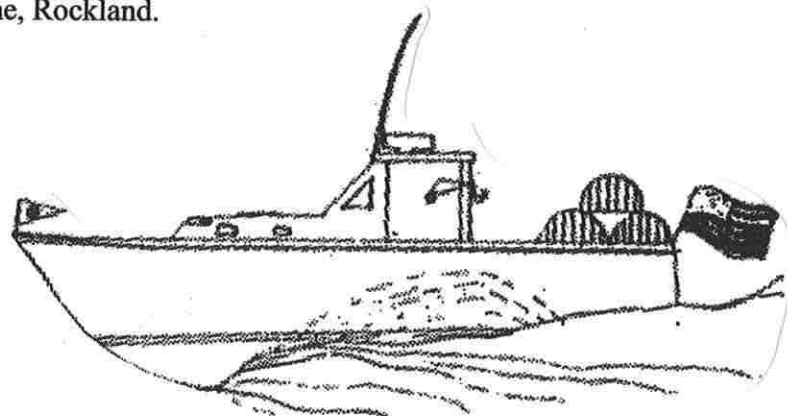

He attended North Haven elementary schools and early high school in Swampscott, MA during the war and was a 1947 graduate of North Haven High School.

On June 25, 1949, he married Ruth W. Babbidge. The couple made their home at North Haven all their married lives, where they raised three children and were involved in many of the community activities. Over the years he served on the board of selectmen, as town constable and on the North Haven Conservation Partners board.

Throughout his career, Bud worked as a mechanic for Frank Sampson, was a lobsterman into his 80's, for the Fox Island Electric Co-op as a lineman and had his own electrician's business. He was most noted as an accomplished boat builder and owner/operator of Thayer's Y-Knot Boat Yard at Southern Harbor. As a "hobby" he maintained many older island cars for summer residents, rebuilt model T's and other touring cars - many times starting from an old frame and boxes of parts. He so enjoyed going to flea markets with his good friend, Elliott Brown, wheeling and dealing for car parts and pieces. Upon retirement from the boatyard he and Ruthie spent winters on the Florida Keys traveling back and forth in their conversion van. They made many, many friends over the years.

Other than his parents, Bud was predeceased by a sister, Dorothy Thayer Beverage in 1978. He is survived by his beloved wife Ruth of 73 years of North Haven; his children Linda Thayer Haskell and life partner Roy Penniman of New Harbor, Deborah Thayer Langley and husband Robert Langley of Skowhegan, Raymond Thayer and wife Donna of North Haven; nine grandchildren and 17 great-grandchildren.

Per his wishes no service will be held at this time. To share a memory or story with Bud's family, please visit their online Book of Memories at [www.bchfh.com](http://www.bchfh.com). Arrangements are in the care of Burpee, Carpenter & Hutchins Funeral Home, Rockland.

#### HEALTH HINTS

Exercise to the extent of great fatigue does more harm than good.

The thinnest veil or silk handkerchief thrown over the face while riding or walking against a cold wind is a remarkably comfortable protection.

The worst cold may be promptly cured if, within the first twenty-four hours after it has been taken, the patient will keep warm in bed and eat little or nothing for a day or two.

A good cleansing of the entire body with soap and warm water once a week is all the bathing the human system requires for purposes of health, in ordinary circumstances.

#### Coconut Macaroons

Servings: 26 macaroons

Prep Time: 20 Minutes

Cook Time: 25 Minutes

Total Time: 45 Minutes

#### INGREDIENTS

- 1 14-oz bag sweetened flaked coconut, such as Baker's Angel Flake (see note)
- 7/8 cup sweetened condensed milk (see note below on measurement)
- 1 teaspoon ALMOND extract
- 2 large eggs whites
- 1/4 teaspoon salt
- 4 ounces semi-sweet chocolate, best quality such as Ghirardelli, chopped (optional)

#### INSTRUCTIONS

1. Preheat the oven to 325°F. Set two oven racks near the center of the oven. Line two baking sheets with **parchment paper**.
2. In a medium bowl, mix together the coconut, sweetened condensed milk and vanilla extract. Set aside.
3. In the bowl of an electric mixer, beat the egg whites and salt until stiff peaks form. Use a large rubber spatula to fold the egg whites into the coconut mixture.
4. Using a mini ice cream scoop or two spoons, form heaping tablespoons of the mixture into mounds on the prepared baking sheets, spacing about 1 inch apart. Bake for 23 to 25 minutes, rotating the pans from top to bottom and front to back, until the tops and edges are golden. Let cool on the pans for a few minutes, then transfer to a wire rack to cool completely.
5. If dipping the macaroons in chocolate, melt the chocolate in a microwave-safe bowl at medium power, stopping and stirring at 30 second intervals, until just smooth and creamy. (Alternatively, melt the chocolate in a double boiler over

simmering water.) Dip the bottoms of the macaroons in the chocolate, letting any excess drip back into the bowl, and return to the lined baking sheets. Place the macaroons in the refrigerator for about 10 minutes to allow the chocolate to set. The cookies keep well in an airtight container at room temperature for about a week.

6. **Note:** There is a lot of variability in coconut depending on the brand you purchase. For the best results, I recommend Baker's Angel Flake (see package in the first picture on this page).
7. **Note:** 7/8 cup = 3/4 cup plus 2 tablespoons
8. **Note:** Make sure to use parchment paper (NOT wax paper) on the baking sheets. The macaroons will stick to wax paper.
9. **Freezer-Friendly Instructions:** The macaroons can be frozen for up to 3 months. Let them cool completely and store in an airtight container separating layers with parchment paper or aluminum foil. Before serving, remove the cookies from the container and let them come to room temperature.
