### Middle School is looking for community service opportunities!

We are hoping to do a morning of service on Friday May 27<sup>th</sup>. If you have a project on-island and appropriate for a group of about 8 middle schoolers for 2 hours or so, please contact Emily Cohn, Stormy Dyer, or Taylor Leach. We are looking for projects that will benefit the community and community organizations already doing great work! So, helping with gardens in a public space - yes, helping with individual gardens, less so. We might not be able to get to all projects but welcome your ideas!

### TRAFFIC PARKING ALERT AT THE THOROUGHFARE (Water Taxi Dock and Boat Launch Area)

There will be a high volume  
of large tractor trailer  
traffic coming and going at  
the boat launch area/Fox  
Island Thoroughfare on  
Mon., Tues., & Wed., week  
of May 9, 10, and 11.  
The boat launch area needs  
to be clear for The Island  
Transporter to unload large  
trucks and these trucks will  
need a good bit of space to  
come and go around the  
curves in the parking area.  
Please spread the word for  
people parking there to  
leave the drive free,  
especially in those big  
curves. Many Thanks!

**C**is for Carver's Millstream  
Bridge- In the 1839 town  
warrant, a request was made to  
build a bridge across the Mill-  
stream (on Main St.), wide  
enough to accommodate teams  
of horses. No action was taken  
on the article. In 1841, several  
citizens petitioned the County  
Commissioners pleading to have  
a bridge constructed. Once  
again, town members vetoed the  
idea. It wasn't until 1849 that a  
contract was awarded to *John  
Carver*, to build the bridge, for  
which he was paid \$300.

**What do you do after school?** I go on the playground and when I come home, I play with Bubby and my dolls.  
**Tell us something about you that you think we might want to know?** I really like playing with my friends and Miss Brooke on FRIDAY FUN DAY when everybody dances and going to Cushing and seeing my cousin Clyson when we go to the mainland to my grandparents' house!!

# NEWS from VINALHAVEN SCHOOL

Over spring break seniors (and a few parents) met to paint the "home" dugout on the ball field. It looks great! Pictured from left: Kyr, Lincoln, Ingrid, Myra and Von.

Look elsewhere in The Wind for softball and baseball schedules, early release dates and special events coming up. In the month of May, students will have guest speakers, attend a movie night, travel to Special Olympics, explore the Botanical Gardens, show their talents and work with a music and art show, perform theater plays, and enjoy Leaps of Imagination. Then, we'll break for Memorial Day weekend before attending our final month of school.

The "new" last day of school is Friday, June 17<sup>th</sup>. We will dismiss at 11:30 a.m.! Best wishes to all,

Monte Selby, Principal

### Pumpkin Growing Adventure!

As part of the Grange's mission to encourage local agriculture, the Vinalhaven Grange will be providing seeds and instructions for growing pumpkins to students in grades pre-K through 6. There will be two kinds of pumpkin seeds -- one set for making pies or other treats and the other for Halloween Jack-o-lanterns, along with growing instructions.

Packets will go home in early May so that they can be started inside and then planted outside in early June. In the fall, we'll all get together at the Grange to show off our pumpkins and share tasty pumpkin baked goods. We hope you'll join us in growing pumpkins all over town!

**LITTER**

Many people are working hard to keep our community beautiful and safe and are concerned about the amount of litter that plaques our streets, shoreline, and waterways.

When litter accumulates, it presents a look that implies that no one cares about themselves, their community or neighborhood. We know that is not true, but it looks like it.

We cannot control what others do, though we like to encourage everyone not to litter. Do people throw things on the ground and out their windows just assuming someone else will pick it up? That someone else is us, your neighbors.

There is an easy way to improve the looks and safety of our community and that is to spend a few moments every day on your street, in your neighborhood or along the routes you travel every day, to pick up the litter from the day before.

This small effort on everyone's part will make our community look better, be safer for our children and prevent damage to the waterways that our economy depends on.

Thanks to everyone who are helping already, it makes a difference.

"A mother is she who can take the place of all others, but whose place no one else can take."

# Tidbits from the Vinalhaven Historical Society

**Marilyn Gay Johnson** celebrated her 4th birthday at the Down Easter Inn, home of her grandmother Mrs. Vera Johnson. Marilyn in her yellow organdy dress was a charming little hostess meeting each guest at the door eagerly reaching for the gift wrapped package saying "Happy Birthday to me." The time was happily passed with balloons until one little miss was heard to say to her mother, "where is the ice cream?" The group formed a line and marched into the dining room, where Mrs. Charles Chilles and Mrs. George Geary sat at the head of the table honored guests of Marilyn. Douglas Rosen was the Beau Brummell with his Scotch bow tie, red corduroy coat and gray slacks, Cynthia Conway with her silver curls and big blue eyes was becomingly gowned in a ruffled blue dress, Sandra Webster in her chic blue dress with plaid petticoat, Ruth Ann Bennett in dark blue taffeta very swish, Tamara Hopkins with sandals the envy of each and every girl there, Lucy Dyer with her apple blossom complexion complimented by a ruffled pink taffeta, June Bennett with her lovely long curls in a smart blue plaid, Linda Johnson in aqua pique. When seated around the table with their your mothers made a very pleasing picture. The table had a centerpiece of a miniature garden, donkey cart full of candy, tiny wheelbarrows, watering pots and rakes. Two birthday cakes with their roses and candles made by her mother and grandmother. Individual birthday cakes with lighted candles and a basket of goodies at each place setting. It was truly a garden of lovely little faces.

These men had worked at this trade for nearly 34 years and today the shop is headed by C. L. Gregory a well known and experienced hand in the building of boats. This shop is equipped with modern machinery and devices capable of cutting, planning and finishing the timber which is used in the construction of the boats. Expert Workmanship is displayed by Mr. Gregory, inasmuch as he has had years of wide and varied experience. Any type of boat within a 40' length can be modelled. Plans and estimates are rendered and at all times Mr. Gregory is only too glad to go into consultation with you in regard to that prospective design. Marine engines are kept in stock and a repair job of any sort is given immediate and prompt attention.

The "Mother" Road- Route 66  
1 How many states and how many time zones does Rte. 66 run through?  
2 Rte. 66 has two other "nicknames" can you name them?  
3 One of the original highways in the US, how many miles was Rte. 66?  
4 What year was the song, "Get your kicks on Rte. 66" written and by whom?

Did you know that current maps do not include old route 66? The last stretch of the road disappeared from "official" maps in 1985.

THE CHRIS HERREN STORY

Please join us for an inspiring presentation, as Chris shares his journey navigating the disease of addiction, the road to recovery and his mission to reach just one person and make a difference.

## DATE:

## TIME:

5:00 PM

## LOCATION:

Smith Hokanson Memorial Hall

## ABOUT CHRIS HERREN

Chris Herren, a basketball legend from Fall River, Massachusetts, was an All-American, broke scoring records and was recruited by the nation's top colleges. Herren realized his lifelong dream of playing in the NBA when he was drafted by the Denver Nuggets in 1999 and then traded to his hometown team, the Boston Celtics, before losing his career and almost his family to the disease of addiction.

A person in long term recovery, Chris inspires people to start the conversation on wellness and educate themselves on the disease of addiction. It is his hope that strength will be found in the struggle and communities will come TOGETHER to address the issue of substance use disorder, advocate for effective treatment and embrace the power of recovery.
