

Effective May 21, 2020:

The Maine State Ferry Service will return to the regular Summer Schedule between Rockland and Vinalhaven.

Please note that the Governor Curtis is scheduled to fill in for the Thompson while it is in the shipyard for maintenance starting 5/21.

Please remember that only 5 people are permitted in the cabins at one time and to practice safe social distancing.

Announcement by the Maine State Ferry Service:

The current Standby System at the Vinalhaven Ferry Terminal will no longer be in effect as of Monday, June 1, 2020.

From that date forward, the Vinalhaven Terminal will operate the same as other MSFS terminals for standby status:

Vehicles may line up 1 hour before the first departure of the day, and for all other departures, vehicles may line up once the previous boat has departed.

When vehicles get in line, they must plan to depart on the next boat.

Vehicles will be directed to board the ferry on a first come, first serve basis.

Standby numbers attached to Line Numbers are also no longer in effect from June 1, 2020.

The First Come, First Serve Standby starting point will remain the same, and will continue down to the end of the guardrail/entrance of the upper parking lot.

The beginning and end of the standby line will be clearly marked, and all vehicles lined up must fit completely within the lines.
